Your guide to betting on the races at Northville Downs

Friday, Nov. 25, 2022 • Fall Meet, Program No. 23

## Race 2 *F&M TrackMaster <65 Pace*

**1 - DON'T DALLY SALLY** smoothly gained in all recent starts, and mostly in higher TrackMaster Rating contests. Second time tonight at this lower level. A very appealing banker to any exotic for better values. **3 - IMGONNACATCHYA** also makes a second start at the level and was quite prominent in the start two prior at a higher class. Better trip tonight equals being the chief danger to our top call. A must to use. **5 - ER MARIA** bid smartly in her last and delivered a well-improved mile. Another making a vital second start off the drop.

## Race 6 *Winners 1-3 Races or NW \$25,000 Pace*

**3 - ZEUS IS ROCKING** went back to his more regular racing strategy, and it led to good results with a second-place finish in a similar class. Same scenario, same post, same fine chance. Slim nod. **8 - VINTAGE CHROME** bid widely to win last week in this level and reversed form. A tough post tonight, but looks like a graduation candidate for bigger and better much sooner than later. **7 - GOOD TIME CHARLEY** also closed into bold type in the same club (same race, too, as our second choice's win). If there's speed to chase, he's part of the crowd that'll be most likely to charge in.

## Race 8 *Open Handicap Trot*

**2 - BURN NOTICE** is our top call in tonight's feature. Displaying a local winning habit these days and reliably able to control rate of trot on leads. Potential price drifting; keep an eye on the board. **1 - LUCKEY STORMIN** is much improved of late and catches the pole position once again. Important addition to tickets and a significant win chance. **7 - I GET IT** has been ultra-competitive in the Open ranks and, while the post is again a challenge, the speed is demonstrably more than sufficient to factor.

## Race 9 *F&M NW \$1,750 Last 4 Starts Pace*

**2 - DELANEY R** is our long shot selection of the night. While not doing enough to reach in several recent tries, there was sizeable improvement last week that catches notice. Best results may well come from a more prominent beginning, and that can happen as this entrant is not surrounded by constant early speed. Good post here, too. Tissue-thin call. **8 - PISTOL PEARL** has the toughest post assignment, yet dips to this level and has the raw speed to figure tonight and benefit well if any early duelling arises. Tab tote. **3 - SIDECHICKNAMEDNICK** makes a second start after a significant class drop, and like our top choice, comes in off a much improved most recent race. Useful in all exotics with a viable win chance.
