Race 3 NW 1 (F&M) 2 Race or \$6,000 Pace

1 - REAL SLICK CHIC has improved steadily and is clearly ready for a move up the ranks. Showed complete leading control in the last mile, and has consistently gotten a little faster these recent weeks. An ITM rate that's hard to ignore, too. Draws prime post tonight. **5 - STORMY PRINCESS** raced in the two-path much of her last mile and has had encouraging miles in several recent local outings. One to add; won't likely be the big boxcar price tonight, but can add value. **2 - MEADOWBROOK LEOTA** has had steadily improved preps and draws a nice post for a press or stalk. Another value addition.

Race 6 NW \$5,000 Last 4 Starts Pace

5 - HOOSIER HYPNOTIC had his best mile of the fall last week in getting away a fair bit from his competition. Tonight's a step up, but the demonstrated speed is plenty to repeat. Our top call of the card. Took a whole four seconds off his final quarter time in just a month of local miles. Impressive. **1 - GITTERDONEFORTYONE** gets total post relief tonight and has been reliable in recent lines. Will likely take significant play; mind value. **3 - YOUNG SHARK** makes sense based on good work in various higher-level activities on our oval. The veteran drew well for his proven tactical abundances.

Race 9 NW \$5,000 Last 4 Starts Pace

2 - ROCKIN RUSTY passed all rivals last week at gigantic odds in wintry conditions. He's got our attention tonight! **4 - LIBERAL** was a level, nearly-winning second last week and continues on with a condition that is one step up and different but reads quite similar in scope. More than fits and plays. **5 - SHARKHART** wired his last field and jumps up to a much higher level tonight. Seems to race best leading or near it, and the last two miles are noticeable back class indicators worth attention. This is a race where just about everyone has some significant potential to factor.

Race 11 NW \$1,750 Last 4 Starts, Opt. Clm. \$4,000 Pace

1 - RJP takes a sizeable drop and gets the pole position tonight. The wide bid in the later stages of his mile last week did show gaining abilities. He's got a win locally at a level that can correlate to this situation. A narrow nod to refresh in this easier spot. **6 - NORMANDY BEACH** led them in the wintry weather last week. Precipitation (at least a cold rain) projected tonight — could this be an off-goings player? There can be value in that, so keep an eye on the skies. **8 - TERO** draws the tough assignment, but has been better of late. Leaving or floating forward second start off the extra week's rest. Useful in anything you're playing.
